{Chorus 2x - Crazy}

We some No Limit Soldiers  
(We still ballin' so fuck what you think  
You broke niggaz keep hatin' you can't stop the tank)  
You see No Limit is an army

{Master P}

Nigga what what bitches callin' my name  
Homies hut hut No Limit still in the game  
See I'm a money making nigga like Bill Gates  
Me and my lil cousin toss bitches from state to state  
Lil' Beezy he off the heezy  
He in the threezy smoking weezy  
I don't give a fuck about you hatin' I'm chasin' fortune  
and fame  
I got every ghetto bitch screamin my name  
Nigga rap in the South I started that  
It wasn't cool to be country til' I brought it back  
Now y'all boys know y'all can't mess with me  
Cause No Limit is a part of history

Chorus 2x

{Crazy}

I seen a nigga catch 30 rounds and live through it  
You could tell he was a soldier and he knew it  
Fuckin' wit me, my niggaz ???  
Fuckin' wit me you better not leave the club  
All it takes is some hennessy and I'm gone  
Dressed in all back bitch I'm bout to follow you home  
With my chopper  
I release anger  
Runnin' off in the dark like strangers  
I don't give a fuck nigga if you like me  
I told the same thing ???  
Its easy  
To bust a niggas skull plate  
Half of you haters go to jail quick and to the state  
You ain't ready

{Slay Sean}

Out of control ever since I got out the hold  
Fuck a P.O. I ain't got time for parole  
My nine it explodes every time its exposed  
Once you see it you get it that's how No Limit rolls  
Fold in your doors and hit you while you dead on the  
floor  
Excuse me miss but we gotta take him straight to the  
morgue  
Talkin' the talk knowin' he ain't walkin' the walk  
Fuckin' with him is like me fuckin' with pork  
I'm holdin' the fort for every person reppin' New York  
Niggas front on No Limit ya ass is out when you caught  
Fuck what you thought they'll find you lying dead on  
the porch  
Clothes soiled your body red as your heart

Chorus 4x
