Brother, don't matter
Sister, don't worry
Say what you like
I'll do what you want me to do

You're a vampire
I'm a vampire too

Sun in the kitchen
Boy, you're still sleeping
When you get hungry
I'll do what you want me to do

You're a vampire
I'm a vampire too
You're a vampire
I'm a vampire too

Night in the city
New Orlean's pretty
Do what you want
And then can I do it to you?

You're a vampire
I'm a vampire too
You're a vampire
I'm a vampire too

You're a vampire
I'm a vampire too
You're a vampire
I'm a vampire too

It's a reflex
Just a reflex
Like fear or sex

Brother, don't matter
Sister, don't worry
Say what you like
I'll do what you want me to do

You're a vampire
I'm a vampire too
You're a vampire
I'm a vampire too

Brother, don't matter
Sister, don't worry
Brother, don't matter
Sister, don't worry

Brother, don't matter
Sister, don't worry
Brother, don't matter
Sister, don't worry
