The secrets of sexual attraction)

(Get down get down get down get down
get down get down get down get down)

The music's pumping through me, I rush into the crowd
The sweat is pouring off me, the beat is dead loud
I want someone to love me, you know I need it now
These feelings that I'm feeling must be satisfied
somehow

I want it, I want it, you know I really want it!
I want it, I want it, you know I really want it!
I want it, I want it, you know I really want it!

We all feel better in the dark
We all feel better in the dark
(Get down get down get down get down
get down get down get down get down - Oooh)

Our bodies surges with energy, shivers down my spine
I look deep into your eyes, and I know that you'll be
mine

(Dump that beat D-Dump that beat
Dump that beat D-Dump that beat
Dump that beat D-Dump that beat
Dump that beat D-Dump that beat - Aah
Dump that beat D-Dump that beat (Yeah yeah)
Dump that beat D-Dump that beat (Yeah yeah)
Dump that beat D-Dump that beat (Yeah yeah)
Dump that beat D-Dump that beat) (Yeah yeah)
(Yeeaaaaaah)

We all feel better in the dark
(Get down get down get down get down
get down get down get down get down)
We all feel better in the dark
(Get down get down get down get down
get down get down get down get down)

The music's pumping through me, I rush into the crowd
The sweat is pouring off me, the beat is dead loud

I want someone to love me, and I know you want me
now
These feelings that I'm feeling must be satisfied
somehow
You want it, you want it, you know you really want it!
You want it, you want it, you know you really want it!

I want it, I want it, you know I really want it!

We all feel better in the dark
(Get down get down get down get down
get down get down get down get down)
We all feel better in the dark (Oooh)

We all feel better in the dark

18. HOW CAN YOU EXPECT TO BE TAKEN SERIOUSLY?
Brothers In Rhythm 7" Version
