You always wanted a lover  
I only wanted a job  
I've always worked for my living  
How am I gonna get through?  
How am I gonna get through?

I come here looking for money  
(Got to have it)  
And end up leaving with love, oh, oh  
Now you left me with nothing  
(Can't take that)  
How am I gonna get through?  
How am I gonna get through?

I bought you drinks, I brought you flowers  
I read you books and talked for hours  
Every day, so many drinks  
Such pretty flowers, so tell me  
What have I, what have I, what have I done to deserve  
this?  
What have I, what have I, what have I done to deserve  
this?  
What have I, what have I, what have I ...

Since you went away I've been hanging around  
I've been wondering why I'm feeling down  
You went away, it should make me feel better  
But I don't know, oh  
How am I gonna get through?  
What have I, what have I, what have I done to deserve  
this?  
How am I gonna get through?  
What have I, what have I, what have I done to deserve  
this?

You always wanted me to be something I wasn't  
You always wanted too much, oh, oh  
Now I can do what I want to - forever  
How am I gonna get through?  
How am I gonna get through?

At night, the people come and go  
They talk too fast, and walk too slow  
Chasing time from hour to hour  
I pour the drinks and crush the flowers  
What have I, what have I done to deserve this?  
What have I, what have I, what have I done to deserve  
this?  
What have I, what have I, what have I ...

Since you went away I've been hanging around  
I've been wondering why I'm feeling down  
You went away, it should make me feel better  
But I don't know, oh  
How am I gonna get through? (baby)  
What have I, what have I, what have I done to deserve  
this?  
How am I gonna get through? (baby)  
What have I, what have I, what have I done to deserve  
this?  
How am I gonna get through? (baby)  
What have I, what have I, what have I done to deserve  
this?  
How am I gonna get through? (tell me)  
What have I, what have I, what have I done to deserve  
this?  
How am I gonna get through? (baby)  
What have I, what have I, what have I done to deserve  
this?  
How am I gonna get through? (yeah)  
What have I, what have I, what have I done to deserve  
this?

Gonna get through?  
Gonna get through?  
What have I, what have I, what have I done to deserve  
this?  
Aah, gonna get through?  
What have I, what have I, what have I done to deserve  
this?

We don't have to fall apart, we don't have to fight  
What have I, what have I, what have I done to deserve  
this?  
We don't need to go to hell and back every night  
What have I, what have I, what have I done to deserve  
this?  
You never ever left me, baby, think of me...  
What have I, what have I, what have I done to deserve  
this?  
Oh, babe  
What have I, what have I, what have I done to deserve

this?

We don't have to fall apart, we don't have to fight  
What have I, what have I, what have I done to deserve  
this?

We don't need to go to hell and back every night  
What have I, what have I, what have I done to deserve  
this?

Gonna get through, baby, I'm gonna get  
What have I, what have I, what have I done to deserve  
this?

Forever

What have I, what have I, what have I done to deserve  
this?

Gonna get through, baby, yeah,  
What have I, what have I, what have I done to deserve  
this?

Gonna get through, get through, baby, ooh What have  
I, what have I, what have I done to deserve this?
