There comes a time in everyone's life  
When all of the parties every night  
They're not enough  
You want something more  
I want you, I want you  
(Tell, tell)

I find you when I want you  
And lose you late at night  
The woman in me shouts out  
The man in me just smiles

I may not always love you  
You may not care  
But if we should live together  
There's somethin' we could share  
If we dare, why don't we?

(Baby)  
Why don't we live together?  
You won't believe in love until the day you try  
(Baby)  
Why don't we live together?  
With all the love we had and all the love we hide

We'll find a home together  
And sleep there every night  
There's a time and place for most things  
This time, we'll get it right

You may not always love me  
I may not care  
But intuition tells me, baby  
There's something we could share  
If we dare, why don't we?

(Baby)  
Why don't we live together?  
You won't believe in love until the day you try  
(Baby)  
Why don't we live together?  
With all the love we had and all the love we hide

Why don't we live together?  
(Together)  
Together  
Why don't we live together?  
(Together)  
Together

Ooh, ooh, yeah, yeah  
Ooh, ooh, yeah, yeah  
(Baby)  
Ooh, ooh, yeah, yeah

You may not always love me  
I may not care  
But intuition tells me, baby  
There's something we could share  
If we dare, why don't we?

(Baby)  
Why don't we live together?  
You won't believe in love until the day you try  
(Baby)  
Why don't we live together?  
With all the love we had and all the love we hide

Why don't we live together?  
(Together)  
Together  
(Together baby)  
Ooh, ooh, yeah, yeah  
(Baby)

You won't believe until the day you try  
(Baby)  
Why don't we live together?  
Why don't we live together?  
(Baby)  
Why don't we live together?

You won't believe until the day you try  
(Baby)
