Ask me why, I'll say it's most unusual
How can I even try to explain
Why today I feel like dancing, singing like lovers sing
When I wouldn't normally do this kind of thing?
I wouldn't normally do this kind of thing

Ask me when, I'll say it started when I met you
And ever since then I knew that the past couldn't last
For right now I think I'm running a race I know I'm
gonna win
And I wouldn't normally do this kind of thing
I wouldn't normally do this kind of thing

If people say I'm crazy, I tell them that it's true
Let them watch with amazement
Say it won't last beyond breakfast, it's a phase he's
going through
Denigrate or speculate on what I'm going through
Because it isn't the sort of thing I'd normally do

Ask me what, I'll say I think it's good for you
Believe it or not I know where it's all leading to
I feel like taking all my clothes off, dancing to 'The Rite
of Spring'
And I wouldn't normally do this kind of thing

I wouldn't normally do this kind of thing
I wouldn't normally do this kind of, this kind of thing
