Tough luck  
It's tough luck  
It's you love that put me here

So fast  
There's no chance  
There's no chance to get me out  
You never let me down,  
So come and get me now  
It's getting far too late,  
Just come and save me now

Too late you're too late  
It's too late to stop me now  
There's one chance  
But you've changed  
There's no change  
There's no chance for you  
It's not what you'd expect,  
Drifting far from you  
Know what I should have said,  
It's too late too late

It's too late  
It's too late  
It's too late  
It's too late  
It's tough luck  
It's tough luck  
It's tough luck  
It's tough luck

Too late  
Too late  
Too late  
Too late

It's tough luck  
It's tough luck  
It's tough luck  
It's tough luck

Tough Luck.
