To the other side  
On the other hand  
How did I survive seeing you again?  
And I think of you in a waterfall  
How you held me there  
It was beautiful

Let's get out of here because we can't lose  
I'm a writer you're a chanteuse  
You're a superstar yes that's what you are  
Get your dancing shoes and get in the car

How many leaves  
Leaves on a tree?  
If leaves were years it's eternity  
This is the year we are at war  
Ride that horse 'till your saddle's sore

How many leaves  
Leaves on a tree?  
If leaves were years it's eternity  
This is the year we are at war  
Down at the darksome sea

I'll take the blame  
I'll bear the shame  
I wish I could see your face again  
On this planet of panic all forsaken  
Oh, my arms are aching  
Looking at the symbol  
The thought of how  
God is dead  
Where are you now?  
Where are we now?

How many leaves  
Leaves on a tree?  
If leaves were years it's eternity  
This is the year we are at war  
Ride that horse 'till your saddle's sore

How many leaves, leaves on a tree

If leaves were years it's eternity  
This is the year we are at war  
Down at the darksome sea
