Burning is the fire
Not like in any other house
She gave herself

A chimney for the smoke
Like laughter to a joke
She gave herself

Doesn't feeling like lyin'
When she's busy tryin'
To train love
Everybody wants to
Train love to stay

Train love
Everybody wants to
Train love to stay (I walk away)

She's been up for days
Running back the plays
That he made on her

He'd become afraid
Of what might've happened if he'd stayed
In her universe

You won't catch her cryin'
She's too busy tryin'
To train love
Everybody wants to
Train love to stay

Train love
Everybody wants to
Train love to stay (I walk away)

I learned to love that wants to walk away
I ain't the one that I should want to stay
Who was I to think that I could
Train love
Everybody wants to

Train love to stay

Train love

Everybody wants to

Train love to stay (I walk away)

Everybody wants to train love... x7
