No matter what you are
I will always be with you
Doesn't matter what I do, girl
Ooh girl, I'm with you

No matter what you do
I will always be around
Won't you tell me what you found, girl?
Ooh girl, I'm with you

Knock down the old, gray wall
Be a part of it all
Nothing to see, nothing to say
Nothing to do

If you would give me all
As I would give it to you
Nothing would be, nothing would be
Nothing would be

No matter where you go
There will always be a place
Can't you see it in my face, girl?
Ooh girl, I want you

Knock down the old, gray wall
Be a part of it all
Nothing to see, nothing to say
Nothing to do

If you would give me all
As I would give it to you
Nothing would be, nothing would be
Nothing would be
