Well, I can't forget this evening
And your face when you were leaving
But I guess that's just the way the party goes
You always smile but in your eyes this sorrow shows
Yes, it shows

Well, I can't forget tomorrow
When I think of all my sorrow
I had you there but then I let you go
And now it's only fair that I should let you know
What you must know

If it's love that you need
If it's love that you need

Well, I can't forget this evening
And your face when you were leaving
But I guess that's just the way the party goes
You always smile but in your eyes this sorrow shows
Yes, it shows
