[Sample:]

Love is as well gone  
As sunny sunny days

[Hook x2: Game]

Yeah I'm addicted to slugs  
I can tell by your pearl handle you know how to treat a  
thug  
I see the fire in ya eyes every time we hug  
and I know sometimes you just wanna be rubbed, I'm  
in..

[Sample]

[Ya Boy:]

Yeah!  
I know you don't like the word mama  
But you my bitch. That's how it is..  
Hey

I see the fire in ya eyes half evil half sexy I  
Love to take it down every night if ya let me I admit  
Baby girl I have my eyes on you  
Hopin that one day I can flip the pies on you  
Since you down south show you what that rock could do  
Come back rich, yeah nigga that's my proof  
I, hold the gauge you can hold the twenty-two  
Nigga run up on Ya Boy baby you be shootin' too  
Fuck Bonnie and Clyde mama, we much deeper  
Ya Boy love dough and you the toppings on my pizza  
The heater to my ether, my beautiful senorita  
And I knew you was my bitch from the first, moment I  
seized ya  
And just like, every blunt needs some green  
Every gun needs a beam, every thug needs a queen  
She suckin me up, I be sippin the bub  
Had to pinch myself, nigga, I think I'm in.. I'm in..

[Hook x2]

[Cyssero:]

Shit.. Fuck.. That's how it go..

Lemme show ya man.. ?? .. That's my bitch man.  
First time I held her, the first time I banged her  
First time I made her bust, first time I aimed her  
Me and her the oh six (06) Bonnie and Clyde  
And I call her Nino Wesson when there's drama she  
ride (ah ha)  
And it's gutter hell, it's just me and my bitch  
Like Ready to Die, track number twelve  
Yea that's wifey: sexy, chrome and black complexion  
Got me gettin erection  
She chill on my hip, when I play the strip wit her  
Show her how much I love her when I stick my clip in her  
I get chips and dip with her  
Then the shit'll get ugly if I'm doin ? wit her  
Menage a toi, double the action  
Real street niggaz know I be double the slappin  
And to my main squeeze, believe me  
The Fire in ya eyes, will have me squeeze on a man  
Eazy[as in Eazy-e or Lil' Eazy e]

[Hook x2]

[Game:]

Night after night..  
lookin through that glass window wishin you was mine  
Wishin I could hold you..  
Just wanna squeeze the life outta you..

I remember in '96 when we met, you got the best of me  
I had an appetite for destruction, you had the recipe  
Told me the last motherfucker chose his destiny  
One in the head, execution style, so I'm guessin  
He ain't know you was special, misused you and  
abused you  
Put his hand around your neck, squeezed harder when  
you refused  
To open your mouth, give him everything you got  
I see the fire in ya eyes and in a nigga the shot  
I guess what I'm tryin to say is that I like you a lot  
You let me hold you like he hold you we take over the  
block  
Go from the dope spot to the CL drop  
You like it I love it, now me and you callin the shots  
Remember yesterday when we rocked  
You told me you wished you could've been there when  
Pac got knocked  
Tonight we goin to the range, that'll get you hot  
Wear your pretty dress, the one with the infrared dots  
I'm in..
