I take a walk right by the shore
I feel the wind, I feel the summer's gone
The leaves are falling down to the ground
I try to listen do they make a sound
Now I feel that I am broken
No one knows what you're doing to me
Now I see the first fall morning
Oh, everybody ready it's the final day

I'm feeling down 'cause you are here
It's been a while that you've been around
Well, I saw you the last time a year ago
The summer say, now the summer's gone
Now I feel that I am broken
No one knows what you're doing to me
Now I see the first fall morning
Oh, everybody ready it's the final day

I know you're game
Every year you come and take the blame from the sun
I know you say
Every time you tell you can see the light in my eye
Light in my eye

The final day
The summer is gone
It's the final day
The final day

Now I feel that I am broken
No one knows what you're doing to me
Now I see the first fall morning
Oh, everybody ready it's the final day
Yeah, yeah, everybody ready it's the final day
