HOGARTH

A fool
Says love is like a melody
Or something like a symphony
But this is cacophony
Never changing key

We

We can't fool our audience
We put up such a poor pretense
Don't hide a shred of evidence
We have no defense

WOODLAND CREATURES

A fool says
Love is foolproof

HOGARTH

A fool says
We
We can't fool our audience
We put up such a poor pretense
Don't hide a shred of evidence
We have no defense

WOODLAND CREATURES

A fool says
Love is foolproof
