HOGARTH

When eyes meet in silence
A pact can be made
A life-long alliance
That won't be betrayed
Be friendly, befriend me now
Be friendly

A friend is a friend
Nothing can change that
Arguments, squabbles
Can't break the contract
That each of you makes
To the death, to the end
Deliver your future
Into the hands of your friend

WOODLAND CREATURES

Be friendly, befriend me now
(repeat 2 times)
Be friendly

HOGARTH

A promise is a promise
A handshake will seal it
No amount of discussion
Can ever repeat it
Commitment forever
To borrow or lend
Deliver your future
Into the hands of your friend
Be friendly, befriend me now
(repeat 2 times)
Be friendly

When eyes meet in silence, A pact can be made

BADGER You need a pact

A life-long alliance, That won't be betrayed

CROW Won't be betrayed

You need a mate

BADGER You need a mate

When facing the end

What is the fate
BADGER What is the fate
Now facing my friend
Facing my friend
What faces my friend
Be friendly, befriend me now
(repeat 2 times)

HOGARTH and WOODLAND CREATURES

A friend is a friend
Nothing can change that
Arguments, squabbles
Can't break the contract
That each of you makes
To the death, to the end
Deliver your future
Into the hands of your friend

HOGARTH

Be friendly now
Be friendly now
Be friendly, befriend me now
