I can't be held responsible for my behavior
I lost all contact with my only savior
Please don't lock me out 'cause I missed to phone ya
I can't bear to live forever like a loner

Don't let go the coat
Don't let go the coat
Don't let go the coat
Don't let go the coat

I seen you alone on a Tuesday morning
Everyone but me seems to still be yawning
I can write a letter, have no nerve to do that
Am I going blind thinking about you lot?

Don't let go the coat
Don't let go the coat
Don't let go the coat
Don't let go the coat

I try to explain but you never understand it
I need your body and I can't just demand it, no no no

Don't let go the coat
Don't let go the coat
Don't let go the coat
Don't let go the coat

I can't be held responsible for my behavior
I lost all contact with my only savior
Please don't lock me out 'cause I missed to phone ya
I can't bear to live forever like a loner

Don't let go the coat
Don't let go the coat
Don't let go the coat
Don't let go the coat

Keep singing
Don't let go the coat
Keep telling myself now
Don't let go the coat

That's why I'm singing now
Don't let go the coat
Ooh, don't let go the coat

Domaining to myself
Don't let go the coat
Left feeling bad for my health
Don't let go the coat
Just gotta look after myself
Don't let go the coat
Don't let go the coat

Don't let go the coat
Don't let go the coat
Don't let go the coat
