I watch you sit and twitching
With a match between your teeth
You seem to have a knack of moving it
It's in time to the beat

Face dances tonight
Fate chances moonlight
Face dances tonight
Fate chances moonlight

I can't be distracted
By the stuttering of the kids
I just sit enraptured
By your fluttering eye lids

Face dances tonight
Fate chances moonlight
Face dances tonight
Fate chances moonlight

I can only stare
You make me feel
Like I don't care

I can only stare
You make me feel
Like I don't care

I can only stare
You make me feel
Like I don't care

Your eyes explain a story
That never had a start
Your brow reveals the glory
That's hidden in your heart

Face dances tonight
Fate chances moonlight
Face dances tonight
Fate chances moonlight

Your skin is fine china
White as winter snows
Your lips are always shining
Turning up your nose

Face dances tonight
Fate chances moonlight
Face dances tonight
Fate chances moonlight

I can only stare
You make me feel
Like I don't care
