I'm singing this note
'Cos it fits in well with the chords I'm playin'
I can't pretend there's any meanin' hidden
In the things I'm sayin'

But I'm in tune, right in tune
I'm in tune
And I'm gonna tune right in on you
Right in on you, right in on you

I get a little tired of having to say
Do you come here often
But when I look in your eyes
I see the harmony and my heartaches soften

I'm getting in tune, right in tune
I'm in tune
And I'm gonna tune right in on you
Right in on you

I've got it all here in my head
There's nothin' more needs to be said
I'm just bangin' on the old piano
I'm getting in tune to the straight and narrow

Getting to my tune
Getting in tune
Getting to my tune
Getting in tune

Getting to my tune
Getting in tune

I'm singing this song
'Cos it fits in well with the way I'm feelin'
There's a symphony that I hear in your heart
Sets my head a reelin'

I'm in tune, right in tune
I'm in tune
I'm in tune, baby, with you
Baby, with you, baby, with you

Baby, with you, baby, with you

Gonna tune, right in on you
Right in on you
Gonna tune right in on you

I've got it all here in my head
There's nothin' more needs to be said
I'm just bangin' on the old piano
I'm getting in tune to the straight and narrow

Getting in tune
Getting in tune
Getting in tune
Getting in tune

Getting in tune
Getting in tune
Getting in tune
Getting in tune

Getting in tune
Getting in tune
Getting in tune
Getting in tune

Getting in tune
Getting in tune
Getting in tune
