This can't continue, It makes no sense

We're getting nowhere, I've lost all my confidence

The boy wants something, I'm satisfied

He needs attention and care our love can't provide

And then there's the matter of us.

I'd like to prove that I don't feel that you've seen the
best of me

I've stood up for the boy and I've clung to the hopes
and the lies

I wish that the pain in your gaze could again be a test
of me

But when I look in the mirror

I believe my own eyes.

I believe my own eyes

Know I've come to the end

All my patience is gone

When I'm doubtful I tend

To believe my own eyes

I'd like to declare this devotion and care is the life to
live

That nothing has changed and that time isn't passing
us by

But I have to say here that for us,

There's a clear-cut alternative

When we look at each other, we believe our own eyes.

I believe my own eyes

Know I've come to the end

All my patience is gone

When I'm doubtful I tend

To believe my own eyes.

This has gone far enough

After all we've been through

We can't be blamed,

We've done all we can humanly do

It's a time to be tough

A time to be wise

We must stop chasing false dreams,

And recover our lives.

I believe my own eyes

Know I've come to the end
All my patience is gone
When I'm doubtful I tend
To believe...
I'd like to believe that I don't feel that we've seen the
best of us
And the way to believe is to see where the real future
lies
I hope that the pain in your gaze can again be a test of
us
But when I look in the mirror
I believe my own eyes
Let's believe our own eyes
Know we've come to the end
All our patience is gone
Let's admit we intend
To believe our own eyes
To believe our own eyes
