When people keep repeating  
That you'll never fall in love  
When everybody keeps retreating  
But you can't seem to get enough

Let my love open the door  
Let my love open the door  
Let my love open the door  
To your heart

Let my love open the door  
Let my love open the door  
Let my love open the door  
Let my love open the door

When everything feels all over  
Everybody seems unkind  
I'll give you a four leaf clover  
Take all worry out of your mind

Let my love open the door  
Let my love open the door  
Let my love open the door  
To your heart

Let my love open the door  
Let my love open the door  
Let my love open the door

Let my love open the door

I have the only key to your heart  
I can stop you falling apart  
Try today, you'll find this way  
Come on and give me a chance to say

Let my love open the door, it's all I'm living for  
Release yourself from misery  
There's only one thing gonna set you free  
That's my love, that's my love

Let my love open the door

Let my love open the door  
Let my love open the door  
Let my love open the door

When tragedy befalls you  
Don't let it drag you down  
Love can cure your problems  
You're so lucky I'm around

Let my love open the door  
Let my love open the door  
Let my love open the door  
To your heart
