Any tough can fight, few can play.
Any fool can fall, few can lay.
Any stud can reproduce, few can please.
Any boy can pay a bill, you can tease.

I just wana be popular
I just wana be popular
I don't really care who you are
I just wana be popular

Any man can claim, few can find.
Any girl can blink, few can lie.
Any soul can sleep--few can die.
Any wimp can weep--few can cry.

I just wana be popular
I just wana be popular
I don't really care who you are
I just wana be popular

I wana be more popular than the rest
I'll do anything anything to impress
Everyone is average but I just wanna be the best
Everything thing I do has to be a fact of interest
Popular
I want to be popular
I just gotta be popular

Any brain can hide--few can stand.
Any kid can fly--few can land.
Any gang can scatter--few can form.
Any child can chatter--few can storm.

Anyone can fight-- few can play.
Anyone can try-- but few can stay.
Anyone can cuss --but few can lay.
Everyone complains-- but you can say.

I just wana be popular
I just wana be popular
I don't really care who you are

I just wana be popular

I just wana be popular

I just wana be popular

I don't really care who you are

I just wana be popular
