"Save It For Later"

Visit "[Save It For Later](#)" on MotoLyrics.com

Two dozen other dirty lovers
Must be a sucker for it
Cry, but I don't need my mother
Just hold my hand while I come to a decision on it

Sooner or later
Your legs give way, you hit the ground
Save it for later
Don't run away and let me down

Sooner or later
You hit the deck, you get found out
Sooner or later
You run away, run away and let me down

Black air and seven seas and rotten through
But what can you do?
Sometimes, I don't know how [unverified]
Sometimes I don't try
I just now, now, now, now ,now

Sooner or later
Your legs give way, you hit the ground
Save it for later
Don't run away and let me down

Sooner or later
You hit the deck, you get found out
Save it for later
Don't run away, don't run away and let me down

Two dozen other stupid reasons
Why we should suffer all this
I can't see teeth to find a reason
[Unverified], I come to a decision on it

Sooner or later
Your legs give way, you hit the ground
Save it for later
Don't run away and let me down

Sooner or later

You hit the deck, you get found out
Save it for later
Don't run away, you run away and let me down

Why don't you hold me?
Why don't you hold me and kiss me?
Why don't you hold me?
Why don't you hold me and kiss me now?

Save it for later, baby
Save it for later, honey

Don't run away
Don't run away and let me down
Don't run away
Don't run away and let me down
