I stood at the door beside her  
But she wouldn't let me pass  
I was such a bore and I lied to her  
I said I didn't really want her ass

I went away in the mud and rain  
The gang became snide and laughed  
I was slayed but I smiled and the pain  
Began to subside at last

And when I got back to my hotel  
I wondered if the thunder meant I'd landed in hell  
And on the forecourt I slipped and fell  
I cracked my stupid head and I heard a bell  
I thought, hey

Somebody saved me  
It happened again  
Somebody saved me  
I thank you my friend  
Somebody saved me  
From a fate worse than heaven

'Cause if I'd had her for just an hour  
I'd have wanted her forever  
Somebody saved me

You would have thought that I'd have learned  
Twenty years ago or more  
A beautiful girl raised her mouth and yearned  
But I didn't know what lips were for

I ran away in the mud and rain  
The weather here is never too bright  
She'd had an affray with her man and came  
For solace and the means to fight

She finally bored with seducing me  
And took up with some geezer from the ealing scene  
It nearly killed him like it would've killed me  
When her original man snapped his fingers  
And she obeyed, she obeyed

But somebody saved me  
It happened again  
Somebody saved me, yeah  
I thank you my friend  
Somebody saved me  
From a fate worse than heaven

'Cause if I'd had her for just an hour  
I'd have wanted her forever

I don't know about guardian angels  
All I know abouts staying alive  
I can't shout about spiritual labels  
When little ones die and big ones thrive

All I know is that I've been making it  
And there have been times that I didn't deserve to  
Every show there's been more faking it  
But right at the point of no return

Somebody saves me  
Again and again  
Somebody saves me  
I thank you my friend  
Somebody saves me  
From a fate worse than heaven

'Cause if I blew it for a single moment  
I'd blow it forever  
But somebody saves me

I took up the connection once  
Made me feel quite aloof  
I never could queue to collect my lunch  
While I was pursuing the truth

So I left my folks in the mud and rain  
It always rains in Sunny side road  
I lived hippy jokes, getting stoned insane  
Till the rain looked just like snow

But there was a soul in whom I could depend  
He worked himself crazy while I laid in bed  
I never leaned on a person like I leaned right then  
And when I finally woke up clean  
My friend was dead, stone dead

Somebody saved me  
It happened again  
Somebody saved me

I thank you my friend  
Somebody saved me  
I ain't ready for heaven

'Cause if I'd seen you for a second  
I'd have wanted to see you forever  
Somebody saved me

Somebody saved me
