The song is over
It's all behind me
I should have known it
She'd try to find me

Our love is over
They're all ahead now
I've got to learn it
I've got to sing out

I'll sing my song to the wide open spaces
Sing my heart out to the infinite sea
Sing my visions to the sky high mountains
Sing my song to the free
To the free

Sing my song to the wide open spaces
Sing my heart out to the infinite sea
Sing my visions to the sky high mountains
Sing my song to the free
To the free

When I walked in through the door
Thought it was me I was looking for
She was the first song I ever sang
But it stopped as soon as it began

Our love is over
It's all behind me
They're all ahead now
Can't hope to find me

I'll sing my song to the wide open spaces
Sing my heart out to the infinite sea
Sing my visions to the sky high mountains
Sing my song to the free
To the free

I'll sing my song to the wide open spaces
Sing my heart out to the infinite sea
Sing my visions to the sky high mountains
Sing my song to the free

To the free

This song is over
I'm left with only tears
I must remember
Even if it takes a million years

The song is over
The song is over
Excepting one note
Pure and easy
Playing so free
Like a breath rippling by
