Out here in the fields
I fight for my meals
I get my back into my living
I don't need to fight
To prove I'm right
I don't need to be forgiven

My kids ain't gonna break my heart
My greed ain't gonna spoil their part
This land just has to be a new one
I'm gonna tan underneath the new sun

Don't cry
Don't raise your eye
It's only teenage wasteland

Don't have the latest suit
The long grass is my fruit
I am really ordinary man
The family is free to do just as they please
And we all sleep together in the caravan

Hey you don't walk on the turnips
My Lord when will they learn it
Look there nations of traveling children
Nowhere to go to escape the chill wind

Don't cry
Don't raise your eye
It's only teenage wasteland

My kids ain't gonna break my heart
My greed ain't gonna spoil their part
This land just has to be a new one
I'm gonna tan underneath the new sun

Sally take my hand
Travel south cross land
Put out the fire
Don't look past my shoulder
The exodus is here
The happy ones are near

Let's get together
Before we get much older

Teenage wasteland
Teenage wasteland
Teenage wasteland
It's only teenage wasteland
Teenage wasteland
It's only teenage wasteland
Teenage wasteland
It's only teenage wasteland

They're all wasted!
