Teresa, I had no idea how much I'd need her
Take me home and teach me how to feed her
My heart is palpitating and I guess wrong
But I guess I'll get along
She's just a girl

Teresa, all I ever want to do is please her
She pulls me up and kissed me what's the reason
I just keep on crashing down in the guest room
Guess I'll get along
She's just a girl

I don't know if I love her
Passion

Teresa, just a girl just a girl
Teresa, she's just a girl just a girl
Teresa, just a girl just a girl
Teresa , just a girl

[Guitar Solo]

She's just a girl
Just a fucking girl

Teresa, my heart felt like a shattered glass in an acid
bath
I felt like one of those flattened ants you find on a
crazy path
I'd of topped myself to give you time you don't need to
ask
I'm a suicidal psychopath?
Your just a girl - your just a girl

Consumed, there's a beautiful white horse I saw on a
dream stage
He had a snake the size of a sewer pipe living in his rib
cage
I feel like a pickled priest who was being flambé

It's an inquisition Blondie
Just a girl - I'm happy

I'm fucking ecstatic- lucky, lucky

Just a girl just a girl
Just a girl just a girl
Just a girl just a girl
Just a girl

Teresa, you picked me up by my lapels and screamed
"cheater"

It's like waking up in heaven on an empty meter
I know you're in love with a man who's really a leader
I hate the cunt, I don't mean that
I just said it
Forget it, please
It is a girl
Ahh
It's just a girl
Yea yea yea yea just a girl

Your just a girl
Just a fucking girl
