Till the rivers all run dry
Till the sun falls from the sky
Till life on earth is through
I'll be needing you

I know sometimes you may wonder
From little things I say and do
But there's no need for you to wonder
If I need you 'cause I'll need you

Till the rivers all run dry
Till the sun falls from the sky
Till life on earth is through
I'll be needing you

Too many times I don't tell you
Too many things get in the way
And even though sometimes I hurt you
Still you show me in every way

Till the rivers all run dry
Till the sun falls from the sky
Till life on earth is through
I'll be needing you
