I don't wanna cry for you,
There's nothing left to lose,
If it can make me feel better,
Than I'm gonna cry, cry for you,
I don't wanna cry for you,
There's nothing left to do,
If it can make me feel better,
Than I'm gonna cry, cry for you,

I know men aren't supposed to act this way
But things, they got to real, I couldn't stay
Now, I know one day we will both feel good
If I could be with you, you know I would

Don't wanna cry for you
But there's nothing left to do
If it can make me feel better
Than I'm gonna cry, cry for you
I don't wanna cry for you
There's nothing left to lose
If it can make me feel better
Than I'm gonna cry, cry for you

Turn the lights down low and close the door
I'm tryin to feel the way, I felt before
I'll cry in the middle of the day
It better make me feel a better way
If it could take my pain away
Yeah oh

Take my pain away
I don't wanna cry for you
But there is nothing left to lose
You got to let the boy have his way
Cause it gets him to drink it away
I don't wanna cry for you
But there's nothing left to do
If it can make me feel better
Than I'm gonna cry, cry for you
If it can make me feel better
Than I'm gonna cry, cry for you

Oooh (make me feel better)
Cry for you
Oooh (make me feel better)
Cry for you
I'm gonna cry, cry for you
I'm gonna cry, cry for you
