(written by Pete Yorn)

You know I'm never coming over
You know I'm never coming over
So just drive away
Yeah just drive away

You know I'm never coming over
You know I'm never coming over
Just drive away
Yeah just drive away

Your eyes are fine tonight
And I'll tell you that we didn't mind

You know I'm never coming over
You know I'm never coming over

Just drive away
Yeah just drive away

You know I'm never coming over
You know I'm never coming over
Just drive away
Yeah just drive away

Your eyes are fine tonight
And I'll tell you that we didn't mind
