Someone told me yesterday,  
Maybe I should hesitate,  
We both notice when we can't discuss it,  
Something died here yesterday.

Single dollar days,  
Single dollar days,  
Single dollar days,  
Drive me away.

People tell me everyday,  
Please don't squander it away,  
We rely on it like 1, 2, 3,  
Seems I lost it anyway.

Single dollar days,  
Single dollar days,  
Single dollar days,  
Drive me away.

Single dollar days,  
Single dollar days,  
Single dollar days,  
Drove me away.

Mmmmmmmmm  
Mmmmmmmmm

Lie awake at night,  
Lyn here.
