oh you, in the world seem so unfair
take a Chance on taking You, are going down on me,
I said to her and take her number,
no I cannot loose it all again 'till I see ideal

Well I sit every night
And I wonder what I'm doing
I sleep everyday in your room
I sit every night
Wondering where it is i'm going
cannot say what I do

Go to bed now girl
It's later and you think it's over
Celebrate out of air air air
Now It's time to run out
Do myself some real good wear and tear
And then i'll do it all again and again and again and
again

Well I sit every night
And I wonder what I'm doing
I sleep everyday in your room
I sit every night

Wondering where it is i'm going
Cannot say what I do

Oh now you don't really know me
Like I know myself ..
Myself .. Myself

Cannot say, what I do
I cannot say no no no what I do
No I cannot say what I do

I cannot sit every night while you wonder what i'm
doing
I sleep everyday in your room
I sit every night
Wondering where it is i'm going
Cannot say what I do

Cannot say what I do
No I cannot say what I do
No I cannot say what I do
No I cannot say what I do..
