Sleepless, I lay alone last night
We ain't been speaking, ever since we had that fight
And it's been 48 hours since I last made a call
See this relation's fading it don't make no sense at all

All the last times, last times were exiting
With nowhere to hide, to hide or reverse
This is goodbye; it was fun while it lasted
'Cause everyday it seems like it's just getting worse

Maybe we're better off separated
We're living two worlds apart
I'm feeling like the love has faded
And I don't want to break your heart
Maybe were better off separated
'Cause it seems like love don't live here no more
And these walls keep on falling and falling

But it's so hard to let go, let go, let go
It's so hard to let go, let go, let go

See love was in our hands never thought we were
destined to be
Every day is a separate plan, see you do you and I do
me
We're like an hour glass that's fading fast our time is
running down
See I've never fell for kiss and tell, so I chose to be out

All the last times, last times were exiting
With nowhere to hide, to hide or reverse
This is goodbye; it was fun while it lasted
'Cause everyday it seems like it's just getting worse

Maybe we're better off separated
We're living two worlds apart
I'm feeling like the love has faded
And I don't want to break your heart

Maybe were better off separated
'Cause it seems like love don't live here no more
And these walls keep on falling and falling

But it's so hard to let go, let go, let go
It's so hard to let go, let go, let go

Oh see baby we're changing
Both of us losing patience
And it's breaking up our relations
Baby we've become strangers
It's getting way to hard
So we just press restart
Like two negative ends
We're so much better apart

We break up, we make up
It's like we're running out of steam
It's too much, we lose touch
We're both not how we used to be
It's changing, rearranging
See everything's fallen outta place, (yeah yeah)
I can't take it

Maybe we're better off separated
We're living two worlds apart
I'm feeling like the fun has faded
And I don't want to break your heart
Maybe were better off separated
'Cause it seems like love don't live here no more
And these walls keep on falling and falling
