Verse 1:

B/c# c# b/c# c#

I don't wanna say "i love you", that would give away too much

Bbm f/a fm/ab f/a bbm fdim/b eb

To be detached and precious the only thing you feel is vicious

B/c# c# b/c# c#

I don't wanna say "i want you" even though I want you so much

Bbm f/a fm/ab f/a bbm fdim/b eb

Wrapped up in conversation whispered in a hush

F#

Though I'm frightened by the word

G#

I think it's time I made it heard

Chorus:

C# f# c# g#

No more empty self-possession visions swept under the mat

E f# c#sus4 c#

It's no new years resolution it's more than that

Verse 2:

So I wake up happy, warm in a lovers embrace

Noone else can touch us while we're in this place

So I sing it to the world

A simple message to my girl

Chorus

Solo: (verse chords)

Though I'm frightened by the word

I think it's time I made it heard

So I'll sing it to the world

A simple message to my girl

Chorus (x1, then...)

No there's nothing quite as real as the touch of your sweet hand

I can't spend the rest of my life buried in the sand

Interlude: (b/c# c# x12)

Oh every night I hear you call my name  
I wanna sleep in my dark (bedroom? )  
I have a mind to express my pain  
But I won't get back in your tomb  
I wanna hear, I wanna hear, oh why you're gone  
And every night seems the same song  
Same song...  
I will be humming in my sleep  
I don't wanna say  
I don't wanna say...

Outro: (chorus chords)

I can't spend the rest of my life buried in the sand
