its christmas time.the children have to be good  
if they dont. santa wont come.

look at the presents. under the tree  
the decorations bright as can be.  
snow if falling.outside my window  
santas coming tomorrow. to see me.

we've got to leave a mince pie. along with a glass of  
sherry  
and a carrot for the reindeer.it'll make them feel merry

look at the presents.under the tree  
the decorations as bright as can be.  
snow is falling. outside my window  
santas coming tomorrow. to see me.

merry christmas. EVERYONE.
