[ VERSE 1: Grand Daddy I.U. ]

Here it is, a world premiere  
Crystal clear in your ear, so listen here  
Yeah, it's somethin new but I ain't no new kid  
So don't fool yourself with garbage that you did  
Ain't nothin changed so don't act strange  
I'll shoot through your crew, so get out my range  
Cause I'm callin shots while I make my appearance  
No interruptions, no interference  
So turn it up loud and let the bass thump  
Give me the mic and watch the whole place jump  
I kick a swift rap, sign a gift rap  
So zip your lip, I ain't with that riff crap  
I go for broke with the rhymes that I wrote  
Flow quote for quote, even hit the high note  
Rick picks the chicks, I tricks the fix  
So sway to the way Kay plays the mix  
Cause it's

[ CHORUS: Desiree Price, Toni Rolle, Raezia Rolle ]

Somethin new  
from the Grand Daddy U

[ VERSE 2: Grand Daddy I.U. ]

Grab a seat and take heed to the entrepreneur  
For sure it's raw, literature hardcore  
I'm ( ? ) but not ( ? ) quite bite, that's right  
A parasite who bite I'll invite to fright night  
So let it be known, the rap throne I own  
So leave my bone and my microphone alone  
I gets paid while others get slayed  
You're goin out like a roach, I go out like Raid  
I won't back up or freeze up, slack up or ease up  
Cause Daddy U is cold chewin MC's up  
I gets raw with the rhymes I develop  
So all of you suckers, shut [edited]  
Or I'll bend your chin and grin, you can't win  
So spend 10 to get in then get ate for din-din  
Cause in a battle I gets rambunctious  
So take heed, no need to pop junk, just  
Step (step) and bow out gracefully

Cause if not, then, my man, your face'll be  
Damaged, in other words seriously hurt  
This ain't Sesame Street, I ain't Earnie or Bert  
When I'm through with you your crew will be residue  
So just get out my face is what you better do  
You wanna brawl, just call, that all  
But if you don't come ( ? )  
Cause it's

[ CHORUS: Desiree Price, Toni Rolle, Raezia Rolle ]  
Somethin new  
from the Grand Daddy U

[ VERSE 3: Grand Daddy I.U. ]  
Attention, class is bout to begin  
Prepare to take notes, grab your paper and pen  
As I teach and preach and reach any or each  
Parasite or leech the U will impeach  
I stomp the comp terminatin frauds  
While the crowd applauds for the lord of lords  
I kick off like a ninja, beef and I'll send ya  
Home with broken bones cause suckers I injure  
And when I'm through you can pass the brew  
But for now I got work to do  
So no time to wait, don't debate or procrastinate  
I'm rated great cause the fans I fascinate  
Shots are called, plugs are installed  
Fist is a ball, now it's time to brawl  
Suckers get played out ( ? ) are made out  
Punks get laid out and Kay wears the fade out  
I do away with those who come frontin here  
What is you stupid, you can't get nothin here  
So play your room or be doomed to rot in hell  
You're cold booty, you're softer than ( ? )  
Think you can get this? Boy, don't be ridiculous  
I shoot more gift than St. Nicholas  
Men pretend to win but then the Kay begin  
To spin and blend again and again  
( ? ) distinguished style that you can recognize  
And I fail to understand how the heck them guys  
Borrow and bite and not have a guilty conscience  
Then grab the mic and recite silly nonsense  
Battle the U, you musta flipped your lid  
Cause I take your pride like a stick-up kid  
Bodily damage is done to those who try to stand close  
While I swing and sing as smooth as Luther Vandross  
Rhymes consist of consonants and vowels  
And while I move the crowd you move yours bowles  
Yeah  
Hey yo girls, tell em what this is

[ CHORUS: Desiree Price, Toni Rolle, Raezia Rolle ]  
Somethin, somethin, somethin new  
from the Grand Daddy U  
Yeah, yeah, yeah, yeah  
I said somethin's new  
from the Grand Daddy U  
Peep out somethin new  
from the Grand Daddy New  
[ Biz Markie ]  
Alright girls, come on, all together now  
[ CHORUS: Desiree Price, Toni Rolle, Raezia Rolle ]  
Somethin, somethin, somethin new  
from the Grand Daddy U

That's right  
shippin platinum (platinum) (platinum) (platinum)
