[female voice]

My I.U. is gone, I miss him everyday

Ah, mh, yeah

Mh, ah, ooh, yeah

Mh, ah, ooh, yeah

Mh, ah, ooh, yeah

[Mary Brown]

Ohhh..

Oh-ohhh-oh, oh no

Heeeeyyy, hey-ey-eeeyy

Oh sugar

I'm sugar free

In the night

I'm sugar free

In the day

My sweetheartey

Had to go away

For a little while

And when my I.U.

Is not here with me

I'm ?the helpless type?

I'm sugar free

In the night

(So lonely, so lonely)

I'm sugar free

In the day

(So loneley, yeah)

I know he loves me

I know he cares

Cause he's all mine

And soon he'll be knockin

At my door

Things will be alright

I'm sugar free

In the night

(So lonely, so lonely)
I'm sugar free
In the day
(I feel so lonely, yeah)

[Grand Daddy I.U.]
Listen, let me explain
I like livin my life in the fast lane
Partyin hard and havin fun
Females - I need more than one
Straight up and down on the serious tip
I ain't with no relationship
It may sound like a diss but believe me it's not
Matter of fact I really like you a lot
But it's a dead issue for you to pursue
Cause yo boo, I like you but I like others too
The heartaches, the breaks, the pains, I don't need em
Instead give me some head and a whole lotta freedom
I like to swing, I ain't with no commitment
Parties, ladies and beer by the shipment
But when I do my thing you get mad
Call me on the telephone soundin all sad
Don't mean to hurt your feelings, my dear
But listen here, I'm the mack of the year
So if you have plans to settle down with me
I guess you just have to be - sugar free

[Mary Brown]
Oh my sugar's gone
He's gone away
I miss him every night
And every day (2x)

Yeah, yeah, yeah
Everyday, yeah
Oh-ooohhh, oh
My sugar is gone
I-I-I.U.
liiii.U.
My sugar is gone
Oh sugar
Heeeeyyy-ey-eeeey
My sugar's gone
Oh my sugar's gone
He's gone away

[male voice]
Yo, that sounds beautiful
That's another ?rapid shipment?
