When you touch me baby
Oh I lose all self control
You know it sends me crazy
You know that it burns my soul

And we will take it
Through the night
I wanna hold you oh so tight
A kinda love that feels so right
So won't you let me
Turn down the light

We are here together
We are here all by ourselves
A glass of wine for romance
And our problems on the shelves

And we will take it
Through the night
I wanna hold you oh so tight
A kinda love that feels so right
So won't you let me
Turn down the light

When you touch me baby
Oh I lose all self control
You know it sends me crazy
You know that it burns my soul

And we will take it
Through the night
I wanna hold you oh so tight
A kinda love that feels so right
So won't you let me
Turn down the light

And we will take it
Through the night
I wanna hold you oh so tight
A kinda love that feels so right
So won't you let me

Turn down the light

And we will take it
Through the night
I wanna hold you oh so tight
A kinda love that feels so right
So won't you let me
Turn down the light
