Peter Andre Lyrics

Untouchable

(Andre, Merritt, O'Donoghue, Sheehan)

V1

In a world that's craving honesty
Know the truth will always be
That nobody can love you like me

You can find someone who promise to
Fill your heart with dreams
But you know nobody can love you like me

BRIDGE 1

Don't say a word
Just believe me
An empty shell
Just left breathing
Cuz you are the reason that I live

CHORUS

Untouchable, Now I don't have you
Incredible, How you could let the
Loneliness stay in your life
When nobody can love you like me (No, No)

V2

He can caress you late at night
Make you feel that everything's alright
But nobody can touch you like me (no)
I'm gonna lay it down on the line
Promise you you'll never find
Somebody that can love you like me

BRIDGE 2

Cuz I'm just a man
Who has nothing
Down on my knees
Need your loving
Cuz you bring that something in my life

(We were)

CHORUS

MIDDLE 8

No diamonds, no ruby's, no money, no gold
Material things make relationships cold
These things should mean nothing
Nothing at all

CHORUS

In a world that's craving honesty
Know the truth will always be
That nobody can love you like me
