Once upon a time  
You said yes, a thousand times  
Right girl, wrong time  
Me so stupid stuck in rewind  
Had you locked, lost the key  
No one else to blame but me  
Like a fool i set you free  
Wonder if you'll still talk to me

You gave me your heart and I out my feet up on it  
I could kick myself so hard I acted so departed  
There's a million other people that are just like me  
In a mess like me, with regret like me  
My mistake, i had my cake but i take it back

Baby I  
Tried so hard to, give it up every time look up i'm down  
so no  
Baby I can't let go  
Baby I lied to myself, every time I thought i'd want  
someone else  
When you, you were my wondergirl

Twice upon a time  
I won't let you down  
Oh baby come with me  
Gimme back my sanity

One kiss, one dance. I'll always be around  
Immature i fell behind  
Gimme back my peace of mind

You gave me your heart and I put my feet up on it  
I could kick myself so hard I acted so departed  
There's a million other people that are just like me  
In a mess like me, with regret like me  
My mistake, I had my cake but i take it back

Baby I  
Tried so hard to, give it up every time I look up I'm  
down so no  
Baby I can't let go

Baby I lied to myself, every time I thought I'd want  
someone else  
When you, You were my wondergirl

My mistake, I had my cake but i take it back

Baby I  
Tried so hard to give it up every time I look up i'm ow so  
no  
Baby I can't let go  
Baby I lied to myself, every time I thought I'd want  
someone else  
When you, you were my wondergirl
