All you need is a little bit of lovin kissin and huggin
Wait before you leave! give me that xoxo yeah xoxo
We can get a little bit closer you know that I want ya
Girl before you leave! I need that xoxo yeah xoxo

From the first day I seen her
I knew had to meet her
Show her how a mans supposed to treat her
Make her believer take her all around the world
(its on m, get whatever you like)
I'm all yours baby, no if ands' or mabyes'
I wanna make you go crazy
Let me show you off tonight

We can keep it all so personal
On the real aint nobody gotta know
So before you go that XO

All you need is a little bit of lovin kissin and huggin
wait before you leave!
Give me that xoxo yeah xoxo
we can get a little bit closer you know that I want ya girl
before you leave!
I need that xoxo yeah xoxo

Now there's nothin for me to spoil ya
I'll do anything or ya
Just as log as you're my girl
You can have the whole world and all the finer things
Your life will never be the same
I'm trying to give you all the attention you've been

Let me take you out tonight
You know that I can do you right oh

We can keep it all so personal on the real aint nobody

All you need is a little bit of lovin kissin and huggin
