We'll go dancing
And then we'll do it again
Oh oh oh oh oh oh
Talking 'bout the same old things
I recall the simple whoa oh

We've been to Chile
And to Philly
Tallahasee
And the Kiwi land
Standing in line again
I turn around but then
There's music coming from the upstairs room

You want flowers
That's the funny thing
You don't even try
Hi hi hi hi hi
Whoa oh oh oh oh oh
Whoa uh oh oh oh oh oh

We'll go to Rio
And then we'll do it again
Whoa uh oh oh oh
Pretending we're lost away
Asking all the people whoa oh

Who sent me roses
Who sent me flowers
Who said they saw me on the TV show
That just the way
Offer hospitality
Never mind the things you don't know

You want flowers
That's the funny thing
You don't even try
That's when it occurred to me
I like spontaneity
Never could see why
Hi hi hi hi hi
Whoa oh oh oh oh oh oh ho

La la la la la la lil li
Lo lo lo lo oh oh

We'll go down to Rio
I'll get my things in the spring
Whoa oh oh oh
And what about the big parade
And all the fancy dancing yo ho

Don Quixote
We'd love to see you
We'd love to see you do your dance again
So here we are sweet Genevieve
Not much like we used to be
Take these songs and give them a show

You want flowers
That's the funny thing
You don't even try
That's when it occurred to me
I like spontaneity
Never could see why-y

Take these flowers
Take these funny things
Now you see I try
Everything I used to be
Standing there in front of me
Still I can't see why
Hi hi hi hi hi
