Ooh  
Another long lonely night  
Without her by my side  
Iâ€™ll stumble through a stolen life  
If I canâ€™t make things right  
But if I had the chance to tell her  
Could I find the words?  
Seems to me no matter what I say  
I end up getting hurt

Thereâ€™s a hunger  
Thereâ€™s a pain in me  
Taking over  
It cuts right through me  
Every time I breathe, Oh

And Iâ€™m in pieces now that sheâ€™s gone  
Without her I am broken  
Like a bird without a song  
You know Iâ€™m just a broken man  
Without her love my lifeâ€™s undone  
Without her warmth Iâ€™m frozen  
Tell me where I begin  
How to go on  
You see Iâ€™m just a broken man

To tell the truth I still donâ€™t buy it  
Where did I go wrong?  
Through my tears I canâ€™t deny the fact  
This house is not her home  
Round and round again I asked her  
Why she had to go  
And what she said still makes no sense to me  
I guess Iâ€™ll never know

Thereâ€™s a hunger  
Thereâ€™s a pain in me  
Inside Iâ€™m dying  
It cuts right through me  
Every time I breathe, Oh

And Iâ€™m in pieces now that sheâ€™s gone

Without her I am broken  
Like a bird without a song  
You know Iâ€™m just a broken man  
Without her love my lifeâ€™s undone  
Without her warmth Iâ€™m frozen  
Tell me where I begin  
How to go on  
You see Iâ€™m just a broken man

Like a moth to a flame  
She drew me to her  
But love burned out  
Itâ€™s such a shame

Ooh

And Iâ€™m in pieces now that sheâ€™s gone  
Without her I am broken  
Like a bird without a song  
You know Iâ€™m just a broken man  
Without her love my lifeâ€™s undone  
Without her warmth Iâ€™m frozen  
Tell me where I begin  
How to go on  
You see Iâ€™m just a broken man
