All The Time
I told you how much I need You
for all the time
I made you believe my lies
for all the time
I tried to ignore my ego
and live this life
I don't want you
I truly appologise

I'll Never be
what you really need,
I'm a coward without courage
so don't cry 'cause I'm not worth it
I'll never be
your true destiny
there's someone waiting for you
who'll comfort and adore you
that's not something that I have in me

all the time
we made plans for the future
for all the time
I promised to be true
for all the time
I was nothing but an intrudor
your pure live I have messed up
I'm sorry for hurting you

I'll Never be
what you really need,
I'm a coward without courage
so don't cry 'cause I'm not worth it
I'll never be
your true destiny
there's someone waiting for you
who'll comfort and adore you
that's not something that I have in me

I wish I could make you fly to heaven
and forget about me

erase history
for maybe a miracle could happen
and I could become a better man
the kind of warm and tender man
I will never be

I'll Never be
what you really need,
that someone waiting for you
who'll comfort and adore you
that's not something that I have in me
