[bass brother]

This is another

Public service announcement

Brought to you in part...

punch

[rondell beene]

Yo

This thing on?

Good good hell yea

Look, I'm speaking on behalf of d12

And if you get affended by words like

Bitch

Ho

Sissy

Faggot

Homo

Lezbian

Fudge packer

Clit eater

All that shit like that

Then you should turn this shit off right now

'cause thats just some of the shit

No thats the only shit you gonna hear right here on this
album

Its not that they don't have creativity

Or some shit like that, that ain't the case

We just like sayin shit like that, just to fuck with you

Hey! I told you to hold him down, now he's running

Fuck it *bang*

God damnit if you would have just stayed still

Nothing would have happened to you

Just goes to show you, if you fuck with us

Shit can happen... bitch
