Get back, get back

You better get back, get back, back

You better get back, get back

You better get back, get back back [repeat both lines

3x]

You better...

[proof]

Doin a box of doctrine, on stompin oxygen

Afta 10 wit fork to your optic lens

Hittin wit a sudden force

Leave your boy layin in the same puddle of blood as
yours

When I flood his porch

Smuugle a gun in court and shoot the judge

Easily reduce a thug to a future scrub

A double-deuce wit slugs, I'm proof on drugs

We'll turn you to a rapper that we used to love

How you on medicine cabinet pills

Grabbin the steel, leapin over buildings that haven't
been built

I'm not the best yet 'cause I haven't been killed

I'm laughin at you faggot-ass rappin for deals, you
better

[eminem]

Get back, get back

You better get back, get back back

You better get back, get back

You better get back, get back back

You better get back, get back

You better get back, get back back

You better get back, get back

You better get back, get back back

You better...

I'm disappointed in my dentist appointment

He only gave me the fuckin gas for thirty minutes this
mornin

Went to the hospital to get a chest x-ray

Checked out the next day in a dress wit a sex change
I'm havin a bad day
My fuckin dad's gay, I hate fags, and I'm fuckin mad
'cause I don't have aids
All I want to do is die
I tried suicide six times and couldn't even do it right
Collapsed, had a relapse and called three cabs
And had to be dragged back to rehab wit bloody
kneecaps
Enrolled myself in a twelve-step program
Tripped on the first step and got pinned down in a
chokeslam
I swear to god, this 'pac poster comes any closer
I'm kickin this whole fuckin wall over
Two more shots and it's all over
I'm all over this wall, tryin not to fall over

[bizarre]

Bloaw bloaw!
Shots in broad day
(bizarre, that's your mom!)
The bitch shouldn't have been in the way
Me, shady and mike fuckin a hemaphrodite
My little sister was a virgin till late last night
High off a kite off of stick of sherm
Put your mother in a full-nelson while my boys take
turns
A unbomber tryin to escape this country
Tell o.j. he better be comin up wit my money
Bizarre goes commerical? nigga, you can forget it
Bitch suck my *dick* that is the radio edit
I'm quick to smack the shit out of a foe
I ain't had pussy in a while, I'm too busy fuckin assholes
Battle me, you better go eat your vegetables
I'm iller than a muslim eatin a pork hotdog in african
festival
This shit is serious, watch me sniff 'cane
Avoid the pain and fuck a bitch barely potty-trained

[eminem]

Get back, get back
You better get back, get back back

You better get back, get back
You better get back, get back back [repeat both lines
5x]
You better get the fuck back

"get back" [cut up and repeated]
