Smother your clan
Sever your hands and your legs
Mail your brother your heart and send your mother ya

[Verse 2 - Swifty]

Im the only one your bitch let touch her
Type of brother that will fuck your mother
With a fishnet rubber
A belligerent and rowdy mother fucker

You try to be brave in this rage and your legs will be
replaced

Keep on popin off with them jaws because
We aint stoppin
We aint got to prove shit to yall so all yall can lick the
