[Chorus: Eminem]

Yall better leave dat boy alone
'cause if they dont
You know they goin come back on 'em
And they dont want him to come back strong
I wouldnt durr get that boy goin

I said leave dat boy alone
'cause yall dont know him
That there boy he out cold
And that there boy he been known
To stirr some shit up when he in that zone

[Bridge x2]

Better leave that boy alone
Better leave that boy alone
Better leave that boy alone
'cause you dont want to get that boy goin

[Verse 1: Swift]

It's my attitude that's makin me bust shit
I hate to be fucked with
So basically niggas wastin they time tryin to touch Swift
I run with a bunch of killers that dealt with punks
Returnin bows 'fore you be lookin at yourself get
stomped
I'm a dysfunctional bastard who will puncture your ass
Witha mag and i'll be glad to send another one after
you
Without no hesitation i run up in your house and wake
your spouse up
And give her mouth to gun ressecitation
A niggas information, they hunted and they sad
Got you mad 'cause they shittin through their stomach
in a bag
We comin too strong so its irrelevant to blast you
We master ready, slash like relatives of Manson
When you hear us niggas think it's elephants dancin
Comin here is the worste mistake that could ever
happen
When i'm in my vehicle i'm pullin you in

I guarantee the world will never see you again

[Chorus]

[Verse 2: Kon Artist]

Honest to god i usually try to keep to my self
But it's kinda hard when you surrounded by ignorants,
well

Let me explain somethin to ya

A real street nigga aint tryin to get in the streets

He's tryin to get out, feel me?

And he aint the type of dude to pop a E and get drunk

And wave his heat all in the air like he's some dumb

hoe punk

Atleast a soldier in the army lose his life over a cause

This nigger dyin over prizes to prove he got balls

I play keyboards, i dont play deep

You borrow guns, i own shit that explode when it hit

You think it's wrong that you hoes thinkin you can't
really get sleep

'cause you laid a nigga down without any meat

Well my cops wont allow me to make decisions in vein

I'm a magne i do my biddin and i do it again

If you take it to that level, i take it to whoever

Want to harm me and my family, Runyon Avenue

forever

[Chorus]

[Verse 3: Kuniva]

Now people i live triflin i express it through writin

If you can't feel it, then i must express it through fightin

And i jus bought me a new gauge and added on a
knew knife

And i strike peopel so fast people think i threw lightning

Clash with a few titans, blasted a few height men

Been harassed by two dykes who wanted (?lou pikner)

Plus you know i'm too violent, to be out with you whilin

'cause as soon as you drivin im a spit a few 5 ones

And i love to Kunive son, and you left a live one

I know how to hide guns, skinny or wide ones

Go buy me a long sub and hide it inside buns

You lookin for hoes, and up in here you goin find none

You niggas get dropped once, and you can kiss my
nuts

You soft little dry cunts, get stuck till your eyes shut

No time for the wild ones, i'm writin these five words

FUCK YOU DICK RIDIN NIGGAS count it, it's five words.

[Chorus]

[Bridge]

[Outro]

Sifty McVeigh (that boy he hot to death)

Mr. Porter (that boy he hot to death)

Kuniva (that boy he hot to death)

Yep, better step before you get beat to death

Yall dont want to be dem there boys

Dem there boys be makin noise

Dem there boys got all kind of toys

You better step before you get destroyed

D12
