I said 1, 2, 3, 4, 5, 6, 7, 8, 9, again
Fuck Compton we back, Bizzy, Kuniva
And Swifty Mcvay, Slim shay, Proof, Denaun
Back in your rear again, deetwizzy is back again!
Yep, yep yep, back to talk more shit
Give you another d-d-dosage
Don't? my set is dope shit
I had to shout it out again
Cause most of y'all is?
We lost 2 of my friends to some cowardly kids
So we step back and realize?
Most of this shit on the radio's so.
I don't even know how the fuck it's supposed to go
On and on with the scratch shit
I know you looking at me like "who is he?"
You say we're falling off
Making me feel like I should paw it off
In a? with monsters and rats and dogs
