Cry Tonight

There's no mercy for a lover
It's straight into the heart
This I know like no other
Sinse i feel for you,
Since I assumed you feel it too
But started playing around with me
But i think, that you own me
For telling you no lie

Oh why...Why can't you see
I'm here to give my heart...to you
And i don't care about tomorrow

I won't cry for you tonight
I won't shed a tear
In every darkness there's a light
That shines for me
A yearning fire deep inside
That will not hesitate
To burn me up again
So, don't you wait!

There's no pain like a lover's
Longing for your touch
But IÂ´m none like the others
'Curse I'm the one for you
if you expect to find
Deepest love until the end of time
And this one comes wiht a warning
At least told you so

Oh no...Why don't yue see
I'm still in love with you...today
But I don't know about tomorrow

I won't cry for you tonight
I won't shed a tear
In every darkness there's a light
That shines for me
Yearning fires deep inside
Don't underestimate
Love will find a way
So, don't you wait!
