I am not the perfect match for you  
Too many faults and unacceptable ones too  
I'm not even handsome but at least  
I'm smart enough to stay with you

I'm not the one to make your dreams come true  
There are so many others much more adequate to you  
I know that all 'cause this is something  
That you really never left a doubt... about

With everything now gone  
Afraid that I have waited way too long  
I ask myself, do I... deserve to be alone?

Maybe if I only would  
have tried harder one more time  
And done everything I could  
to be more what you like  
Maybe I could have made it work  
If just for a little while... longer

I'd give up hope that one day  
you could love me honestly  
Gladly sacrifice myself  
for turning into your ideal  
But tell me, can I really change myself  
Or only who I want to be?

With everything done wrong  
Knowing that I've waited way too long  
I ask myself, do I... deserve to be alone

With everything now gone  
Certain that I've waited way too long  
I ask myself, do I...  
After all, do I... deserve to be alone?
